Third Capital Distribution Update

8 December 2025

The Board announces that in connection with the Third Compulsory Redemption announced on 26 November 2025, the Company has compulsory redeemed as at close of business on 5 December 2025 (the "Redemption Date") on a pro rate basis 43,703,309 ordinary shares at a price of 76.6275 pence per share, which was approximately 20.27% of the Company's ordinary shares in issue.

Fractions of ordinary shares produced by the applicable redemption ratio have not been redeemed and therefore the number of shares redeemed in respect of each shareholder has been rounded down to the nearest whole number of shares.

Payments of redemption monies are expected to be effected either through CREST (in the case of ordinary shares held in uncertificated form) or by cheque (in the case of ordinary shares held in certificated form) by 19 December 2025. Any certificates currently in circulation will be superseded by a new certificate which will be distributed to certificated shareholders by 19 December 2025.

Following the redemption, the Company has 171,903,104 ordinary shares in issue. Therefore, the total number of voting rights is 171,903,104 and may be used by shareholders as the denominator for determining if they are required to notify their interest in, or a change to their interest in the Company under the FCA's Disclosure Guidance and Transparency Rules.

The new ISIN, JE00BPCSN748 (the "New ISIN"), in respect of the remaining shares which have not been redeemed, has been enabled and is available for transactions from 8.00 a.m. on 8 December 2025. CREST will automatically transform any open transactions as at the Redemption Date into the New ISIN.
