4th April 2016

Project Finance Investments Limited

(the "Company")

Investment commitment of c. £26 million

c. 15 year loan notes

The Company is pleased to announce two loans of up to c£26m in aggregate to finance construction projects for a private residential care home and a municipal recycling facility.

The terms of the loans are c.17 years and c.15 years respectively. Each loan is secured by way of a first ranking charge against the relevant asset.

The loans have been financed from the proceeds of the Company's recent IPO, following which the Company is now fully invested.

Notes to Editors

The Company

The Company is a closed ended investment company traded on the Main Market of the London Stock Exchange. Its investment objective is to generate attractive risk-adjusted returns primarily through regular, growing distributions and modest capital appreciation over the long term.

The Company seeks to meet its investment objective by making investments in a diversified portfolio of project finance investments which have contracted, predictable medium to long term cash flows and/or physical assets and which are predominantly UK based.
