Notes to Editors

The Company

GCP Asset Backed, which invests in asset backed loans, is a closed ended investment company traded on the London Stock Exchange's main market for listed securities. Its investment objective is to generate attractive risk-adjusted returns primarily through regular, growing distributions and modest capital appreciation over the long term.

The Company seeks to meet its investment objective through a diversified portfolio of investments secured against contracted, predictable medium to long term cash flows and/or physical assets which are predominantly UK based.
