About GCP Infra

GCP Infra is a closed-ended investment company and FTSE-250 constituent whose shares are traded on the main market of the London Stock Exchange. Its objective is to provide shareholders with regular, sustained, long term distributions and to preserve capital over the long term by generating exposure to UK infrastructure debt and related and/or similar assets. The Company primarily targets investments in infrastructure projects with long term, public sector-backed, availability-based revenues. Where possible, investments are structured to benefit from partial inflation-protection. GCP Infra is advised by Gravis Capital Management Limited.
