Headline: Dividend Declaration and Scrip Dividend Alternative

23 October 2020

GCP Infra, the only UK listed fund focused primarily on investments in UK infrastructure debt is pleased to announce a dividend of 1.9 pence per ordinary share, for the period from 1 July 2020 to 30 September 2020. The dividend will be paid on 7 December 2020 to holders of ordinary shares recorded on the register as at the close of business on 6 November 2020.

The Company will also be offering a scrip dividend alternative under which shareholders may elect to receive new ordinary shares in lieu of the cash dividend. The price of a new ordinary share to be issued under the scrip dividend alternative will be calculated by taking the average of the Company's closing middle market quotations of an ordinary share for the ex-dividend date of 5 November 2020 and the four subsequent dealing days.

Full details of the scrip dividend alternative can be found in the Scrip Dividend Circular in respect of the financial year ended 30 September 2020 ("Scrip Dividend Circular 2020"), which has been submitted to the National Storage Mechanism and is available for inspection at 12 Castle Street, St Helier, JE2 3RT and on the Company's website at <https://www.graviscapital.com/funds/gcp-infra/literature>

The reference price for the scrip shares will also be calculated and published on or around 12 November 2020.

Shareholders will receive the dividend in cash unless they have completed either an evergreen standing election ("Scrip Dividend Mandate") (for holders of ordinary shares in certificated form only) or a CREST Dividend Election Input Message (for holders of ordinary shares in CREST only).

Holders of ordinary shares in certificated form who complete a Scrip Dividend Mandate will continue to receive scrip shares in lieu of their entire cash dividend entitlement for future dividends unless they revoke their Scrip Dividend Mandate, details of which are set out in the Scrip Dividend Circular 2020. For shareholders who hold their shares through CREST, a CREST Dividend Election Input Message should be issued on each occasion where a scrip dividend alternative is offered.
