GCP Infrastructure Investments Limited
("GCP" or "the Company")

Pre-payment of £6.25m loan

On 3 April 2013 the Company announced that a loan of £11.25m had been made to GCP RHI Boiler 2 Limited. The proceeds of the loan were used to fund a debt facility to finance the installation of biomass boilers on commercial premises. On 27 January 2014, GCP RHI Boiler 2 Limited pre-paid £5m of the loan amount then outstanding. Given that the demand for such boilers has remained significantly lower than anticipated, GCP RHI Boiler 2 Limited pre-paid the remaining £6.25m of the loan amount outstanding on 15 May 2014.
