Notes

- 1. A member is entitled to appoint one or more proxies to exercise all or any of the member's rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company and a member may appoint more than one proxy in relation to a meeting to attend, speak and vote on the same occasion provided that each proxy is appointed to exercise the rights attached to a different share or shares held by a member. To appoint more than one proxy, the proxy form should be photocopied and the name of the proxy to be appointed indicated on each form together with the number of shares that such proxy is appointed in respect of.
- A Form of Proxy is enclosed with this circular. In order to be valid any proxy form or other instrument appointing a proxy must be returned duly completed by one of the following methods no later than 11.00 a.m. on 12 February 2019:

In hard copy form by post, by courier, or by hand to the following address:

Link Market Services (Jersey) Limited 12 Castle Street St. Helier Jersey JE2 3RT

Submission of a proxy appointment will not preclude a member from attending and voting at the AGM should they wish to do so.

To direct your proxy on how to vote on the resolutions, mark the appropriate box on your proxy form with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.

- 3. Pursuant to the Companies (Uncertificated Securities) (Jersey) Order 1999, the Company specifies that only those shareholders registered in the register of members of the Company by close of business on 12 February 2019 shall be entitled to attend and vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after close of business on 12 February 2019 shall be disregarded in determining the rights of any person to attend or vote at the AGM.
- 4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
- Under the Companies (Jersey) Law 1991, a body corporate may only appoint one corporate
 representative. A shareholder which is a body corporate that wishes to allocate its votes to
 more than one person should use the proxy arrangements.
- Any power of attorney or any other authority under which your proxy form is signed (or a duly certified copy of such power or authority) must be returned to the registered office with your proxy form.
- 7. In accordance with Article 40 of the Companies (Uncertificated Securities) (Jersey) Order 1999, the Company has fixed close of business.on 2 January 2019 as the record date for determining the uncertificated members entitled to receive notice of the meeting and this form of proxy, so that such persons entered on the Company's register of members at that time are the persons so entitled.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of the AGM by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK and Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timing and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a personal CREST member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 of the United Kingdom, or the relevant provisions of the Companies (Uncertificated Securities) (Jersey) Order 1999.
