Directors' Remuneration Report

Background

Regulations came into force on 1 October 2013 which require Main Market-listed companies to offer shareholders:

- (i) a binding vote on such company's forward-looking remuneration policy at least every three years; and
- (ii) an annual separate advisory vote on directors' remuneration.

Although the Company, as a Jersey registered company, is not required to comply with such regulations, the Board believes that, as a matter of good corporate governance, Shareholders should have the opportunity to vote on such resolutions.

Remuneration Report

Resolution 2 seeks approval by Shareholders of the Remuneration Report. The Remuneration Report is set out on pages 49 to 51 of the Company's 2015 Annual Report (a copy of which can be obtained from the Company Secretary at 12 Castle Street, St Helier, Jersey, JE2 3RT). The vote is advisory only and no Director's remuneration is conditional upon passing the resolution.

Renewed disapplication of pre-emption rights in respect of the Existing Placing Programme

The following Resolution will be proposed as a Special Resolution at the AGM:

- Resolution 11: to authorise the Directors to dis-apply pre-emption rights in respect of (a) the issue of up to 72,048,668 Ordinary Shares pursuant to the remaining period of the Existing Placing Programme (such authorisation, if granted, to replace, for the avoidance of doubt, the existing disapplication authorisation passed by Shareholders at the extraordinary general meeting of the Company held on 12 February 2015) and (b) the allotment of equity securities in connection with an offer of such securities by way of a rights issue (as defined in the Articles).

In order for the Directors to continue to have the power to issue in certain circumstances equity securities (as defined in the Articles) for cash free of the pre-emption rights in the Company's Articles, such pre-emption rights must be dis-applied as the existing disapplication authorisation passed by Shareholders at the extraordinary general meeting of the Company held on 12 February 2015 expires at the conclusion of the AGM.

The Company's Existing Placing Programme was instituted on 30 March 2015 and will close on 29 March 2016 (or any earlier date on which it is fully subscribed). In order to allow themselves the possibility of continuing issuance during the short remaining period of the Existing Placing Programme, the Directors are therefore asking shareholders to approve by way of a Special Resolution the renewal of disapplication of the pre-emption rights in the Articles which would be required for such issuance,

The Company has issued 77,951,332 Ordinary Shares under the Existing Placing Programme which has allowed it to take advantage of a number of attractive investment opportunities. Issuance of such Ordinary Shares has been at a premium to the Company's prevailing NAV per Ordinary Share, and therefore NAV accretive to Shareholders. The Existing Placing Programme was for an issue of up to 150 million Ordinary Shares and 72,048,668 Ordinary Shares therefore remain potentially to be issued under the Existing Placing Programme until its closing on 29 March 2016.

Although there are challenges from increased competition in certain sectors in which the Company invests, and more limited opportunities in other sectors than has been the case in the past, nevertheless the Company continues to see significant opportunities in the infrastructure debt market and wishes to continue to be in a position to take advantage of these opportunities as and when they arise during the remaining period of the Existing Placing Programme. The Company notes a background of continuing demand for the Company's Ordinary Shares (which have performed strongly and have traded at a premium to net asset value since the Company's IPO).

Any further Ordinary Shares issued pursuant to the Existing Placing Programme will be issued at an issue price calculated by reference to the unaudited estimated prevailing net asset value per Ordinary Share (cum-income) at the time of allotment together with a premium intended to cover at least the costs and expenses of the relevant placing of Ordinary Shares (including, without limitation, any placing commissions) and the initial investment of the amounts raised. The minimum price in respect of an allotment of any Existing Placing Programme Shares will not be less than the aggregate of the unaudited net asset value per Ordinary Share. The Board will consult with the Company's Investment Adviser and its brokers, and take into account the interests of Shareholders as a whole, market conditions, and the share rating of the Company's Ordinary Shares when determining the issue price for any such issuance.

The Existing Placing Programme is flexible and may have a number of closing dates. The Existing Placing Programme is not underwritten.

The Directors believe that continuation of the ability to issue shares under the Existing Placing Programme will have the following benefits for Shareholders:

- the Company will be able to raise additional capital promptly, enabling it to take advantage of current and future investment opportunities, thereby further diversifying its investment portfolio, both by number of investments and by sector;
- an increase in the market capitalisation of the Company will help to make the Company attractive to a wider investor base;
- it is expected that the secondary market liquidity in the Ordinary Shares will be further enhanced as a result of a larger and more diversified shareholder base. Continuation of issuance under the Existing Placing Programme will partially satisfy market demand for Ordinary Shares from time to time and improve liquidity in the market for Ordinary Shares; and
- the Company's fixed running costs will be spread across a wider shareholder base, thereby reducing the total expense ratio.

Shareholders are therefore being asked to approve by way of a Special Resolution at the AGM the disapplication of the pre-emption rights in the Articles in respect of an issue of up to 72,048,668 Ordinary Shares, being 12.1 per cent of the issued share capital of the Company, specifically pursuant to the short remaining period of the Existing Placing Programme.

Application will be made to the UK Listing Authority for any Ordinary Shares issued pursuant to the Existing Placing Programme to be admitted to the Premium Listing segment of the Official List and for any such Ordinary Shares to be admitted to trading on the London Stock Exchange's Main Market for listed securities. The Ordinary Shares will be issued in registered form and may be held in certificated or uncertificated form. Temporary documents of title will not be issued pending the despatch of definitive certificates for the Ordinary Shares. The new Ordinary Shares will rank equally with existing Ordinary Shares, including as to any right to receive dividends.

The Company has published in respect of the Existing Placing Programme a Prospectus dated 30 March 2015 and a Supplementary Prospectus dated 18 December 2015.

In the event that this Special Resolution is not passed, no further issuance under the Existing Placing Programme will be possible on a non pre-emptive basis.

In addition, it is proposed that Shareholders approve the disapplication of the pre-emption rights in relation to the allotment of equity securities by way of a rights issue.

Market purchase of Ordinary Shares

The following Resolution will be proposed as a Special Resolution at the AGM:

- Resolution 12: to authorise the Company to purchase its own shares

The Directors believe that it is advantageous for the Company to continue to have the flexibility to purchase its own Ordinary Shares, although they have no present intention to exercise this authority. Purchases of Ordinary Shares by the Company will be made only after careful consideration by the Directors, having taken into account the Company's share price, market conditions prevailing at the time, the capital requirements of the Company, its opportunities for expansion and its overall financial position.

The authority sought would replace the authority given to the Directors on 12 February 2015. The maximum number of Ordinary Shares authorised to be purchased pursuant to this authority would be 89,041,102 representing 14.99 per cent of the total number of Ordinary Shares in issue as at the date of this document, and the maximum and minimum prices to be paid for such shares are stated in the Resolution.

The Company may hold any Ordinary Shares that it purchases as treasury shares or cancel them, in accordance with the Articles and the Companies Law. The Directors believe that it is desirable for the Company to have this choice. Holding the shares purchased as treasury shares will give the Company the ability to re-sell or transfer them quickly and cost-effectively and will provide the Company with additional flexibility in the management of its capital base. The decision whether to cancel any shares

purchased by the Company or hold such shares as treasury shares will be made by the Directors at the time of purchase, on the basis of the Company's and Shareholders' best interests.

Action to be taken

The action to be taken in respect of the AGM depends on whether you hold your Ordinary Shares in certificated form or in uncertificated form (that is, in CREST).

Certificated Shareholders

Please check that you have received a Form of Proxy for use in respect of the Annual General Meeting with this document.

Whether or not you propose to attend the AGM in person, you are strongly encouraged to complete, sign and return your Form of Proxy in accordance with the instructions printed thereon as soon as possible, but in any event so as to be received by the Registrar at Capita Registrars (Jersey) Limited, 12 Castle Street, St Helier, Jersey JE2 3RT no later than 11.00 a.m. on 10 February 2016.

Submission of the Form of Proxy will enable your vote to be counted at the AGM in the event of your absence. The completion and return of the Form of Proxy will not prevent you from attending and voting at the AGM or any adjournment thereof, in person should you wish to do so.

Uncertificated Shareholders

CREST members can appoint proxies using the CREST electronic proxy appointment service and transmit a CREST Proxy Instruction in accordance with the procedures set out in the CREST Manual.

Recommendation

The Directors consider all of the Resolutions to be in the best interests of Shareholders as a whole and recommend that you vote in favour of the Resolutions.

Yours faithfully,

To direct your proxy on how to vote on the resolutions, mark the appropriate box on your proxy form with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.

4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of the AGM by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in

accordance with Euroclear UK and Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK and Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timing and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a personal CREST member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 of the United Kingdom, or the relevant provisions of the Companies (Uncertificated Securities) (Jersey) Order 1999.

8. You may submit your proxy electronically using the Shareportal Service at www.capitashareportal.com.
