

GCP Infrastructure Investments Limited

Monthly factsheet
31 December 2015

Overview

GCP Infrastructure Investments Limited (the "Company") is a Jersey-incorporated, closed ended investment company whose shares are traded on the main market of the London Stock Exchange. The Company's investment strategy is to provide shareholders with long term distributions by generating exposure to debt issued by UK infrastructure project companies and related or similar assets.

The Company primarily targets investments in completed infrastructure projects with long term, public sector-backed, availability-based revenues. The Company is permitted to invest up to 25% of its net assets in investments which do not meet these criteria. Where possible, investments are structured to benefit from partial inflation-protection.

Company update

As at 31 December 2015, the Company was exposed to a portfolio of 42 infrastructure loans valued at £684.0m. The principal value of the loans was £625.3m with an annualised yield of 8.9% and an average life across the portfolio of 14 years.

On 7 December 2015 the Company announced it had raised £20 million of additional capital under the Company's Placing Programme by way of a placing of 16,949,153 new ordinary shares, to take advantage of a number of attractive immediate investment opportunities. The Placing price per new ordinary share was 118.0 pence.

On 18 December 2015 the Company announced its annual report and audited consolidated financial statements for the year ended 30 September 2015. The Company reported profit for the year of £48.7 million, net assets of £619.5 million and total dividends of 7.6 pence per share for the year ended 30 September 2015. The report can be found on the Company's website at <http://www.gcpuk.com/gcp-infrastructure-investments-ltd>.
