To Shareholders

Dear Sir or Madam

Recommended proposal to grant the Directors authority to allot and to disapply pre-emption rights in respect of 200 million Shares in connection with a share issuance programme

INTRODUCTION

The Board has today announced further details of its proposals in respect of a share issuance programme which will, subject to approval by Shareholders, permit the Company to issue up to 200 million Shares to investors during the life of such programme. The Proposals, if approved, will allow the Company to issue those Shares without first having to offer them, *pro rata*, to Shareholders. The Proposals require the approval of Shareholders and are conditional on the passing of both Resolutions which will be proposed at the General Meeting of the Company to be held on Tuesday, 31 January 2017.

The purpose of this document is to provide you with details of and to explain the benefits of the Proposals and to set out the reasons why the Board is recommending that you vote in favour of the Resolutions to be proposed at the General Meeting.

BACKGROUND TO AND REASONS FOR THE PROPOSALS

On 29 April 2016, the Company published a prospectus relating to a placing programme to issue up to 65 million Shares (the “**2016 Placing Programme**”). In May and December 2016, the Company issued in aggregate 60,513,804 Shares at a premium to its prevailing net asset value per Share raising gross proceeds of £83 million for the Company. Following the significantly oversubscribed placing of Shares in December 2016, and as announced on 16 December 2016, the 2016 Placing Programme has been substantially exhausted.

The Company, through its Investment Manager, continues to see high quality opportunities in the student residential accommodation market which it believes are strongly positioned to benefit from the core supply/demand imbalance characteristics which the Company seeks to identify in potential investments. As set out in the announcement of 2 December 2016, the Company has secured the opportunity to acquire two large-scale, modern, purpose-built student residential accommodation assets in and around London (referred to as Scape Wembley and Podium, Royal Holloway) which, once completed will provide a further c.750 modern studios and beds. Further, the Investment Manager is currently reviewing and conducting due diligence on assets in the Company’s core markets, totalling c.2,000 studios and beds, of which terms in respect of properties representing c.450 studios and beds are under negotiation with the relevant vendor. In addition, the Company’s right of first offer arrangements with Scape Student Living are anticipated to provide further attractive pipeline assets in the future.

To provide the Company with the operational flexibility to take advantage of such investment opportunities as and when they arise in a competitive market, the Company is seeking Shareholder

approvals which will enable it to implement the 2017 Share Issuance Programme. The 2017 Share Issuance Programme may be implemented by way of a series of placings and/or open offers and/or offers for subscription.

Resolution 1, if passed, will give the Directors the authority to allot up to 200 million Shares (equal to approximately 72 per cent. of the issued share capital as at the date of this document). Resolution 2, if passed, will give the Directors the authority to allot Shares pursuant to the authority granted by Resolution 1 for cash on a non-pre-emptive basis. Resolution 2 will only become effective if Resolution 1 is also passed.

Accordingly, if both Resolutions are passed, the Directors will be authorised to issue up to a maximum of 200 million Shares for cash on a non-pre-emptive basis pursuant to the 2017 Share Issuance Programme. The Directors intend to use the authorities granted to take advantage of investment opportunities as and when they arise.

The Directors recognise the importance of corporate governance best practice, as demonstrated by the fully pre-emptive offerings made by the Company in 2014 and 2015. Equally, the Directors remain focussed on delivering the Company's investment objective to provide Shareholders with attractive total returns in the longer term and are mindful of the likely benefit to all Shareholders of increasing the market liquidity in the Company's shares, broadening its shareholder base and further diversifying its portfolio.

The undersupply of modern, purpose-built student residential accommodation in the Company's core markets, coupled with increasing competition for assets, mean that the timeframes involved in pre-emptive Share offerings increasingly put at risk the Company's ability to take advantage of attractive investment opportunities as they become available, particularly when seeking to acquire assets which are subject to competitive bidding processes.

As a result, in order to enable the Company to take advantage of such opportunities and increase both the size and quality of the Group's portfolio, the Directors believe it is in the interests of Shareholders as a whole for pre-emption rights to be dis-applied in connection with the Shares proposed to be issued pursuant to the 2017 Share Issuance Programme, which, subject to Shareholder approval, will replace the 2016 Placing Programme. As set out below, there will be no dilution to the Company's prevailing ex-income NAV at the time of issue arising from the issuance of Shares under the 2017 Share Issuance Programme.

The authority for the disapplication of pre-emption rights is being sought in the context of a specific disapplication relating to the 2017 Share Issuance Programme at a general meeting which has been convened especially for these purposes, taking into account Part 3 of the Pre-Emption Group Statement of Principles relating to the disapplication of pre-emption rights.

Subject to Shareholders voting in favour of the Resolutions at the General Meeting, the Directors will publish one or more prospectuses in connection with the 2017 Share Issuance Programme and currently intend to publish a prospectus shortly after the General Meeting.

Applications will be made to the UKLA and the London Stock Exchange for all Shares to be issued pursuant to the 2017 Share Issuance Programme to be admitted to the premium listing segment of the Official List and to trading on the London Stock Exchange's main market for listed securities.

Any Shares issued pursuant to the 2017 Share Issuance Programme will rank *pari passu* with the Shares then in issue (save for any dividends or other distributions declared, made or paid in respect of the Shares by reference to a record date prior to the allotment and issue of the relevant new Shares). Shares will be issued in registered form and may be held in certificated or uncertificated form. Temporary documents of title will not be issued pending the despatch of definitive certificates for the Shares.

The authorities conferred by the Resolutions, if passed, will lapse on 16 February 2018, shortly following the expected final closing date of the 2017 Share Issuance Programme.

BENEFITS OF THE PROPOSALS

The Directors believe that the Proposals will have the following benefits for Shareholders:

- the Company will be able to raise additional capital promptly, enabling it to take advantage of current and future investment opportunities;
- selective acquisitions of assets with attractive rental growth characteristics will further diversify the Company's investment portfolio and reduce portfolio concentration risk;

- an increase in the market capitalisation of the Company should make the Company more attractive to a wider investor base;
- it is expected that the secondary market liquidity in the Shares will be further enhanced as a result of a larger and more diversified shareholder base. The 2017 Share Issuance Programme will partially satisfy market demand for Shares from time to time and may improve liquidity in the market for Shares; and
- the Company's fixed running costs will be spread across a wider shareholder base, thereby reducing its on-going charges ratio.

THE PRICE

The minimum price at which any Shares will be issued pursuant to the 2017 Share Issuance Programme will be equal to the prevailing published NAV per Share at the time of allotment together with a premium intended to at least cover the costs and expenses of the relevant issue of Shares (including, without limitation, any commissions).

In accordance with Chapter 15 of the Listing Rules of the UK Listing Authority, the Company may not issue Shares at a price below the prevailing published NAV per Share.

An announcement of each allotment under the 2017 Share Issuance Programme will be released through an RIS, including details of the number of new Shares allotted and the price for the allotment.

COSTS ASSOCIATED WITH THE SHARE ISSUANCE PROGRAMME

By issuing Shares at a premium to NAV per Share intended to cover the costs and expenses of the relevant issue of Shares (including, without limitation, any commissions), such fees and expenses in relation to the 2017 Share Issuance Programme will be indirectly borne by subscribers for those Shares. Accordingly, there will be no dilution to the Company's then prevailing NAV arising from the issuance of Shares under the 2017 Share Issuance Programme.

The Company will bear the fixed costs incurred in relation to the legal, advisory and regulatory matters arising in connection with the implementation of the 2017 Share Issuance Programme, including those associated with the General Meeting, which are currently estimated to amount to approximately 0.13 per cent. of the Company's prevailing published NAV as at the date of this document.

USE OF NET PROCEEDS

The net proceeds of the 2017 Share Issuance Programme, after providing for the Group's operational expenses, will be used to make investments in accordance with the Company's investment policy.

DILUTION AND TREASURY SHARES

As at the latest practicable date prior to the publication of this document, there were 278,223,587 Shares in issue. If 200 million Shares (being the maximum number of Shares available under the 2017 Share Issuance Programme) were to be issued pursuant to the 2017 Share Issuance Programme, the issued share capital following the closing of the 2017 Share Issuance Programme would have increased by approximately 72 per cent. On this basis, if an existing Shareholder did not acquire any Shares in the 2017 Share Issuance Programme, his or her proportionate voting interest in the Company would be diluted by approximately 42 per cent.

By way of illustration, an existing Shareholder holding Shares representing 5 per cent. of the Company's issued share capital, who does not participate in the 2017 Share Issuance Programme, would, following the completion of the 2017 Share Issuance Programme, hold Shares representing approximately 3 per cent. of the Company's issued share capital.

For the avoidance of doubt, any Shares issued pursuant to the 2017 Share Issuance Programme will be issued at a premium to NAV per Share intended to cover the costs and expenses of the relevant issue (including, without limitation, any commissions) thereby ensuring there is no dilution to the then prevailing NAV attributable to Shareholders arising through such issuance. Further, the Directors have considered the potential impact of issuance pursuant to the 2017 Share Issuance Programme on the payment of dividends to Shareholders and will seek to ensure that any

issuance under the 2017 Share Issuance Programme does not result in material dilution to the dividends per Share that the Company may be able to pay to Shareholders from time to time.

No Shares were held in treasury at the date of this document.

GENERAL MEETING

The Proposals require the approval of Shareholders at a general meeting of the Company.

In order to be passed, the Resolutions to be proposed at the General Meeting will require, in the case of Resolution 1, which is to be proposed as an ordinary resolution, the approval of Shareholders representing more than 50 per cent. of the votes cast at the General Meeting and, in the case of Resolution 2, which is to be proposed as a special resolution, the approval of Shareholders representing at least 75 per cent. of the votes cast at the General Meeting.

For the reasons set out above, the Board recommends that Shareholders vote in favour of the Resolutions.

All Shareholders are entitled to attend and vote at the General Meeting. In accordance with the Articles, all Shareholders present in person or by proxy shall upon a show of hands have one vote and, upon a poll, shall have one vote in respect of each Share held. In order to ensure that a quorum is present at the General Meeting, it is necessary for two Shareholders entitled to vote to be present, whether in person or by proxy (or, if a corporation, by a duly appointed corporate representative).

The formal Notice convening the General Meeting is set out on pages 9 to 11 of this document.

ACTION TO BE TAKEN

The only action that you need to take is to complete the accompanying Form of Proxy.

Shareholders are asked to complete and return the Form of Proxy in accordance with the instructions printed thereon to Capita Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF or deliver it by hand during office hours only to Capita Asset Services 34 Beckenham Road, Beckenham, Kent BR3 4TU or if submitting the proxy vote electronically, via the Registrars website, so as to be received as soon as possible and in any event by no later than 12 noon on Friday, 27 January 2017.

If you hold your Shares in uncertificated form (that is, in CREST) you may appoint a proxy by completing and transmitting a CREST Proxy Instruction in accordance with the procedures set out in the CREST manual so that it is received by the Registrar (under CREST participant ID RA10) by no later than 12 noon on Friday, 27 January 2017. CREST members may choose to use the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the Form of Proxy and the Notice of General Meeting.

Shareholders are requested to complete and return a Form of Proxy or CREST Proxy Instruction, whether or not they wish to attend the General Meeting.

RECOMMENDATION

The Board considers that the Proposals are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Resolutions to be proposed at the General Meeting.

The Board intends to vote in favour of the Resolutions in respect of their holdings of Shares amounting to 132,954 Shares in aggregate (representing approximately 0.05 per cent. of the issued share capital of the Company as at the date of this document).

Yours faithfully

Robert Peto
(Chairman)

Notes:

- 1 A member entitled to attend and vote at this meeting may appoint one or more persons as his/her proxy to attend, speak and vote on his/her behalf at the meeting. A proxy need not be a member of the Company. If multiple proxies are appointed they must not be appointed in respect of the same shares. To be effective, the enclosed form of proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, should be lodged at the office of the Company's Registrar at the address printed on the form of proxy not later than 12 noon on 27 January 2017. Shareholders may submit their proxy vote electronically via the Registrar's website by visiting www.capitashareportal.com. From there shareholders can log in to their Capita share portal account or register for the Capita share portal by following the on screen instructions. For an electronic proxy to be valid, the appointment must be received by the Company's Registrar, Capita Asset Services, by no later than 12 noon on 27 January 2017. A member may not use any electronic address provided to communicate with the Company for any purpose other than that stated. The appointment of a proxy will not prevent a member from attending the meeting and voting in person if he/she so wishes. A member present in person or by proxy shall have one vote on a show of hands and on a poll every member present in person or by proxy shall have one vote for every share of which he/she is the holder. The termination of the authority of a person to act as proxy must be notified to the Company in writing. Amended instructions must be received by the Company's Registrar by the deadline for receipt of proxies.

To appoint more than one proxy, shareholders will need to complete a separate proxy form in relation to each appointment (you may photocopy the proxy form), stating clearly on each proxy form the number of shares in relation to which the proxy is appointed. A failure to specify the number of shares to which each proxy appointment relates or specifying an aggregate number of shares in excess of those held by the member will result in the proxy appointment being invalid. Please indicate if the proxy instruction is one of multiple instructions being given. All proxy forms must be signed and should be returned together in the same envelope if possible.
- 2 Only those shareholders registered in the register of members of the Company as at close of business on 27 January 2017 (the "**specified time**") shall be entitled to attend or vote at the aforesaid General Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after the specified time shall be disregarded in determining the rights of any person to attend or vote at the meeting. If the meeting is adjourned then, to be so entitled, members must be entered on the Company's register of members at the time which is 48 hours before the time fixed for the adjourned meeting, or if the Company gives notice of the adjourned meeting, at the time specified in that notice.
- 3 Shareholders who hold their shares electronically may submit their votes through CREST. Instructions on how to vote through CREST can be found by accessing the following website: www.euroclear.com/CREST. Shareholders are advised that CREST and the internet are the only methods by which completed proxies can be submitted electronically.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for this meeting and any adjournment thereof by following the procedures described in the CREST manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual (available via www.euroclear.com/crest). The message, in order to be valid, must be transmitted so as to be received by the Company's agent (ID RA10) by the latest time for receipt of proxy appointments specified in note 1 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 4 A person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statements of the rights of members in relation to the appointment of proxies in note 1 above do not apply to a Nominated Person. The rights described in those notes can only be exercised by registered members of the Company.
- 5 Shareholders (and any proxies or representatives they appoint) agree, by attending the meeting, that they are expressly requesting and that they are willing to receive any communications (including communications relating to the Company's securities) made at the meeting.
- 6 Any corporation which is a member may appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares. To be able to attend and vote at the meeting, corporate representatives will be required to produce prior to their entry to the meeting evidence satisfactory to the Company of their appointment. Corporate shareholders may also appoint one or more proxies in accordance with note 1.
- 7 A copy of the notice of this meeting is available on the Company's website: www.gcruk.com/gcp-student-living-plc.
- 8 As at 5 January 2017 (being the last Business Day prior to the publication of this notice), the Company's issued share capital amounted to 278,223,587 Shares carrying one vote each. Therefore, the total voting rights of the Company as at the date of this notice of meeting were 278,223,587.

- 9 Any member (or his/her proxy) attending the meeting has the right to ask questions. The Company must answer any question a member (or his/her proxy) asks relating to the business being dealt with at the meeting unless:
- answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - the answer has already been given on a website in the form of an answer to a question; or
 - it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- 10 Further information regarding the General Meeting which the Company is required by section 311A of the Companies Act 2006 to publish on a website in advance of the General Meeting can be accessed at www.gcpuk.com/gcp-student-living-plc.
